

DECALS • MAGNETS • GRAPHIC DESIGN

Decorative vehicle magnets from K9-Design are the perfect solution to your club's specialty trophy needs!

Tired of offering the same old wood carvings, glassware or breed nick-nacks? Highly attractive, functional and affordable, our magnet trophies are very unique and big hits among exhibitors!

Magnets are also very practical for the host club, they are easily shipped, packaged and displayed, and are sturdy enough to withstand the hustle and bustle of the show environment, along with the trip home in an exhibitor's suitcase or over-stuffed van.

Design and colors of magnets are totally customizable to your club's needs. The most popular trophy is the breed design combined with show rosette, with the rosette matching the AKC or parent club ribbon color scheme (purple & yellow for Best of Breed, for example). Magnets can be personalized with the club initials, show date, location, etc.

We also can create custom designs incorporating the club logo, specialty theme or any other concept. The only limit is your imagination!

Ordering

SPECIALTY TROPHIES

From K9-Design

Custom magnets from K9-Design are a beautiful way to decorate your vehicle and show your pride for your breed. Our magnets are made of top quality magnetic vinyl that is durable and stays put on any metal surface. Each unique magnet design is created from multiple layers of specialty vinyl (metal effects, hologram, etc.) layered together to form a detailed, "stained glass" pattern that is fully customizable to your club's requests. These magnets are simply stunning and will make your specialty a day to remember.

Ready to order your specialty trophies? This is the fun part.

First, decide what design your club would like. Our most popular designs are listed to the right. Any design depicting a rosette will match the colors of the award (i.e. purple and yellow for Best of Breed). Decide what text you'd like printed on the magnets, such as the club initials and show date. Another option is to order a custom design involving your club or specialty logo, show theme, etc.

Prices for our most popular options are listed here. This is already the wholesale discounted price.

Please order a minimum of one month in advance of the show. Clubs may order class placement (1st - 4th) trophies after the closing date to see which classes fill.

We would appreciate mention of "Custom vehicle magnets created by Anney Doucette at K9-Design.com" in the show premium list and catalog if possible. We also gladly donate to show raffles. We appreciate your business and referrals.
